

Define a problem statement and give a brief Executive summary snapshot:

(A) Executive Summary

(B) Project Description

(C) Project Scope

(A) Executive Summary:

There is a teacher who provides home tuition and he has a huge demand in the city for his tuition but the problem is he can't teach all those students one by one because it takes too much time.

(B) Project Description:

The teacher doesn't have that much time so we will provide a website to that teacher and we will give a username and password to all those students so they can join the live class in which they can interact with the teacher.

(C) Project Scope:

In future we will provide an application to that teacher for class; and no. of students capacity will also increase; so it could be easier for the teacher.
